Re: Case No. 07-014
Fireman's Fund Insurance Company a/s/o Transmar v.
United Cocoa Processor

Dear Judge Thyng,

This firm represents the plaintiff in the above-captioned action. This lawsuit is a property damage subrogation action, which involves damage to cocoa beans, as a result of a fire at defendant's premises in December, 2005.

The parties have completed their document exchange and a representative of the plaintiff has been deposed. It appears that a second deposition of the plaintiff will be needed and the deposition of the defendant still needs to be taken.

Counsel has discussed possible settlement, but no demand has been made as of this date.

Very truly yours,

William Mullin
